

News from Room 7

Konnichi wa and bonjour!

Here is some news from Room 7.

Happy birthday Cameron and welcome to Kaeo Primary (on Monday).
Jonathan and Shaneil are visiting our class and will start next term.

We enjoyed going to the show at Kerikeri. Snowden laughed when the farmer tried to milk the cow by pulling the tail.

Last week we cleaned our school by picking up rubbish. (by Sophie)
We retold a maori legend.

Tane's Forest

By Room 7

Long ago there was only land and sky.

By Andrew

Tane wanted to plant trees in Aotearoa.

By Steven

Tane made insects for the forest.

By Snowden

The insects ate the forest so Tane made birds.

By Ritete

Tane had a great basket of wings, beaks, feathers and parts of birds.

Tane made kereru to eat the berries and spread the seeds of the trees.
He made piwakawaka to catch insects.

Finally Tane made a kiwi out of the leftover bits of bird.
