

News from Room 7

Welcome to the newest members of Room 7. *Prisayus* and *Sophie* turned five and *Kaelan* and *Neveah* have joined our class. *Cameron* is visiting for Preschool visits. *Mrs Nielsen* is now teaching in Room 7.

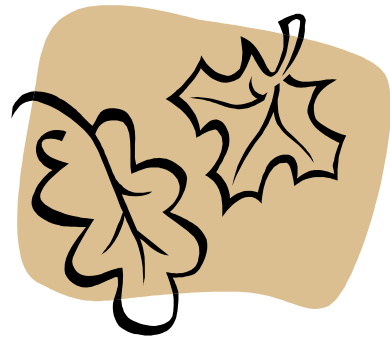

Thank you to *Mrs Cannell* for teaching in Room 7 in term one.

Our class has grown to 13 students. We have started the term with a focus on learning new routines, working hard and helping our new students settle into school and begin their learning journey at Kaeo Primary.

We are learning to bring our book bags every day and return poem books and library books. We are also learning to look after our clothing, shoes and belongings.

(It helps if they are named)
